Leave a Legacy for Alkira's Future

Your Legacy for Alkira's Future

Your legacy has the power to shape the future. It is more than just a gift—it's a lasting commitment to the future of inclusion and opportunity.

By including Alkira in your Will, or making a living legacy today, you are helping to create a world where every person, regardless of ability, is treated equally.

Your legacy gift will build the future you want to see. When you leave a gift to Alkira in your Will, or through a living legacy during your lifetime, you are ensuring that our shared values will be upheld for generations to come.

What is a Legacy?

A legacy is more than a simple gift—it's the lasting impact you leave on the world. It represents the values and beliefs that have defined your life, carried forward to benefit future generations.

By leaving a legacy, you ensure that the causes and communities close to your heart continue to thrive. A *living legacy* allows you to witness the positive change your generosity creates in real time. Consider a living legacy by gifting in your lifetime. Your contribution makes an immediate impact, shaping a brighter future for adults with intellectual disabilities.

For Alkira, your legacy—whether through your Will or a living gift—is a commitment to inclusion, equality, and opportunity. It's a way to create meaningful change that will endure, helping to build a future where every person is empowered to live their best life.

Our Promise To You

We will respect your privacy and decision to make a gift provision in your Will.

We will respect that you can always change your mind.

We will treat your gift with the respect and sensitivity it deserves.

We will keep you and your family updated on our work and how your gift helps ensure we can continue to support people to live their best lives.

How to make a gift to Alkira in your Will?

After carefully considering your family and friends in your Will and discussing your intentions, if you decide to leave a gift for us, we recommend you seek advice from a solicitor to ensure that the wording of your Will reflects your exact wishes.

As a guide the following wording could be used in your Will:

I give to Alkira Disability Services Ltd ABN 47 368 869 748...

(We suggest one of the following statements)

the whole of my estate
or percentage of my estate
or the residue or percentage of my estate
or the sum of \$ —

...free of any relevant duties or taxes for its general purposes. The official receipt of the organisation shall be full and sufficient discharge of my bequest.

Your legacy gift is about transforming Alkira. Growing our services now... and into the future.
