Activity Cost Variations

The out-of-pocket costing for activities listed in the calendar may differ to the amount that appears on your invoices issued at the end of the month. This can be due to several factors including but not limited to – the venue changing its pricing; additional costs are incurred for parking, changes to the size of the group (as group members share the costs evenly) and other unforeseen costs. Occasionally costs for programs will exceed the cost printed in the calendars, however we endeavor to keep the cost as close to the original advertised cost as possible.
