

At Skill Up with SLES you can

learn employment skills

learn how to get ready for work

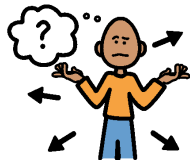

visit different businesses to learn about jobs

learn retail skills

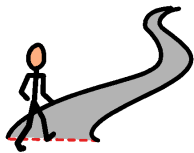

learn how to travel on public transport

create a plan for your pathway.

What is Skill Up with SLES?

Skill Up with SLES is a program that prepares you for your chosen pathway.

For example this may be

Disability
Employment
Services

- a Disability Employment Service (DES)

- Open employment

- Online courses

- Tertiary education.

Skill Up with SLES is usually a group based program but we are flexible with 1:1 support options.
