Read more about Marco on our website or email him on m.giustiniani@alkira.org.au

Get more out of your **ndis** Plan and empower your aspirations.

What is Support Coordination?

Support Coordination is a service that makes sure you get the most out of your **ndis** Plan.

Support Coordinators work with you to build your capacity to independently make decisions.

Support Coordinators will

- listen to you

- understand what is important for you

- work with you

- consult with whoever else you wish.

Learn more about Support Coordination on our website or contact us.
